

COVID-19 SAFETY AGREEMENT

The Mark Morris Dance Group is dedicated to keeping our community safe. We are taking the following precautions and ask that you do the same.

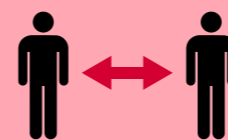

Elevated cleaning protocols

MMDG facility staff are practicing cleaning and sanitizing protocols that meet or exceed public health guidelines. In turn, we ask visitors to adhere to the sanitizing requirements related to their on-site activity.

Practice proper hand hygiene

Use hand sanitizer upon entering the building and wash your hands throughout your visit as needed.

Maintain physical distance

Maintain 6 feet of distance between yourself and others. Avoid gathering in communal spaces.

Mandatory Screening

Everyone is required to complete a health screening questionnaire and have their temperature checked prior to entering the Dance Center; please arrive during your pre arranged entry window to be screened.

Feel sick?

Do not enter the Dance Center if you are feeling unwell.

Report symptoms

Report symptoms, infection or exposure to COVID-19 if they occur within 10 days of your visit to the Dance Center. If you become symptomatic while at the Dance Center, tell our staff immediately.

Wear a mask

Cover your nose and mouth with a mask or cloth face-covering, regardless of activity or physical distancing, for the extent of your visit.

Thank you!

If you fail to comply with these requirements, you will be asked to leave the premises.
